

Global Market Profile

MEXICO

October 2024

Introduction

- Tourism Economics forecasts that domestic leisure visitation will account for \$101B in spending in California in 2024 and international visitation will account for \$28B.
- The **Global Market Profile** reports were developed by Visit California Research to provide the organization and the state's tourism industry with insights on California's domestic market and thirteen opportunity international markets through detailed market landscapes as well as highly targeted audience profiles and traveler behavior insights.

Market Landscape:

Audience Insights:

California Traveler & Trip Details:

- **Market Landscape** includes foundational intelligence from Visit California:
 - Visitation and Spending Forecasts
 - Airlift Recovery (flights and seats)
 - Arrival Numbers & California Market Share
 - Consumer travel intent and barriers
- **Audience Insights** includes a profile of target travelers, including:
 - Description and size of Audience Target
 - Demographic profile
 - General travel planning behavior
 - General trip spending
 - Advertising and sports preferences
- **California Traveler & Trip Details** includes details about visitors to California from the past year, including:
 - Trip purpose
 - First/Repeat visitation
 - Destinations visited
 - Travel party, accommodations, activities and expenditures

Methodology & Sources

- The report contains three sections:
 - The **Market Landscape** section is sourced from Visit California's key research partners, including Tourism Economics, NTTO, CIC Research, Cirium and YouGov.
 - The **Audience Insights** section is sourced from YouGov's Global Travel Profiles which tracks travel-related sentiment and behavior in over 25 global markets, including all thirteen Visit California opportunity markets. Panelists are surveyed on preferred trip types, booking methods, accommodation preferences, and advertising perceptions.
 - The audience profile is built on a segmentation of consumers planning international leisure travel in the next 12 months and are considering California as a destination.* The profiles provide insights into those travelers most likely to visit the state.
 - The **California Traveler and Trip Characteristic** section provides information on trips that included a stay in California from the Survey of International Air Travelers (SIAT).

Audience Insights

Int'l leisure travelers
considering California
"CA Traveler Target"

Audience Profile

The chart shows the incidence of international leisure travelers in the focus market and the subset of international leisure travelers considering California as a destination.

The following audience profile is based on the survey responses over a 12-month period of those consumers considering California as a destination for international leisure travel.

Definitions:

International Leisure Travelers:

Consumers in the focus market planning an international leisure trip in the next 12 months.

Considering California Travelers ("CA Traveler Target"):

Among the consumers in the focus market planning international leisure travel, those who are considering California as destination for travel in the next 12 months.

How to Read the Data

Generation	CA Traveler Target	Index
Gen Z	5%	59
Millennial	51%	115
Gen X	29%	124
Baby Boomer	13%	60

Generation Definitions:

- Gen Z (2000 and later)
- Millennial (1982-1999)
- Gen X (1965-1981)
- Boomer (1946-1964)

Data:

- **CA Traveler Target:** Shows the incidence (%) of the demographic characteristic or travel activity among international leisure travelers considering California as a destination in the focus market.
- **Index:** Compares the incidence (%) of the CA Traveler Target to the incidence (%) of all International Leisure Travelers. For example, an index of 115 indicates that the measure among the CA Traveler Target is 1.15x greater than among International Leisure Travelers in the focus market.
