To All Prospective Bidders,

Visit California, a privately funded nonprofit corporation, is seeking a qualified agency to provide destination representation in Canada to promote California as a premier travel destination.

The California Travel and Tourism Commission d.b.a. Visit California is a private non-profit 501(C) 6 funded by assessed businesses that have an interest in promoting tourism to California. California Tourism is marketed exclusively by Visit California. The Tourism Assessment Program was created under the California Tourism Marketing Act in 1995 with the passage of SB 256. The legislation authorized self-imposition of an assessment by businesses that benefit from travel and tourism. It also authorized the establishment of a non-profit, public benefit corporation, Visit California, to oversee the promotion of California as a premier travel destination.

Visit California oversees the production of a variety of marketing activities, that may include Brand advertising, content marketing to include website, social media, content series, visitor publications and maps, cooperative programs with traditional and non-endemic partners, public relations, and travel trade programs – all designed to promote California to consumers, media, and the travel trade industry. For more details, please visit <https://industry.visitcalifornia.com>.

The purpose of this Request for Proposal (RFP) is to seek and retain a qualified agency to promote California as a premier travel destination and act as the Visit California in-market specialist for marketing and sales representation in Canada.

The annual contract period for the Scope of Work contained within this RFP will be from July 1, 2022 to June 30, 2023.

The total budget for this RFP, including media and public relations services, travel trade management, partnerships, owned channel activities, content and administration and overhead is on an average (without brand advertising dollars, funded separately) US\$500,000 – US\$1,200,000 per fiscal year period.

Visit California may renew the contract each subsequent year for a five-year period, at its discretion. Visit California reserves the right to adjust the budget and related services.

Attached is an RFP for those capable of meeting minimum requirements and carrying out the scope of work. All proposals will be carefully reviewed and evaluated based on the criteria noted in the attached document.

Request for Proposal Marketing Services - Canada

1. INTRODUCTION TO VISIT CALIFORNIA

California is the leading visitor destination in the United States peaking at US\$140.6 billion in 2019 for travel and tourism related spending prior to the pandemic. Since 1998, consistent investment in the California Tourism program (a joint marketing venture of Visit California and the California Division of Tourism) has helped to maintain California's position as a top destination in the U.S.

About Visit California

Visit California is a not-for-profit, 501 (C) (6) corporation formed in 1998 to work jointly with the State of California's Division of Tourism to implement the annual Marketing Plan, which promotes California as a premier travel destination. While these two partners (Visit California and Division of Tourism) are separate legal entities, they are commonly referred to jointly as Visit California.

Visit California's marketing budget is directly derived from assessed businesses in the travel and tourism industry, car rental assessment, and a small contribution from the State. Visit California operates under the auspices of the Governor's Office of Business and Economic Development.

Visit California's 37-member board of commissioners is composed of individuals from all 12 designated regions of California. Members represent five principal industry sectors: Accommodations, Restaurants and Retail, Attractions and Recreation, Transportation and Travel Services, and the Passenger Car Rental Industry. Twenty-four of the commissioners are elected by the approximately 18,500 assessed California businesses; the governor appoints 12; and the 37th is the director of the Governor's Office of Business and Economic Development. The Commission meets three times a year to direct Visit California's programs and activities. A 34-member statewide Marketing Advisory Committee also provides input in developing the marketing plan.

2. PURPOSE OF RFP

The purpose of this RFP is to seek and retain a qualified agency to promote California as a premier travel destination and act as the Visit California in-market specialist for marketing and sales representation in Canada.

Your company goal, in relation to this work, is to increase the number of Canadian visitors to California; with a focus on travelers arriving by air, and act as Visit California's agent in Canada. Your company will be required to develop a proactive marketing program that enhances the position of Visit California to key travel trade influencers and media outlets in Canada. You will work with staff, and other agencies appointed by Visit California to ensure that California is prominently positioned with consumers, key travel trade and public relations influencers. Your company will also be directly responsible for the management of Visit California's owned channels, such as localized consumer Website, e-marketing, social media management and content localization, together with airline relationships, partnerships, and management of cooperative programs.

Your company will be responsible for coming up with a strategic and proactive marketing program to key travel trade audiences – travel agents and tour operators, along with industry decision makers. These programs should be designed to inspire and educate with a goal of increasing sales. You will also be required to create a public relations strategy that will focus on securing placements across broadcast, digital and print media channels and engage with key digital influencers to reinforce California's position as an ultimate vacation destination. You will work with airline carriers and key marketing partners to develop and secure partnership opportunities.

As we begin recovery and reactivate in a post pandemic environment, Visit California is interested in your evaluation and insight into the Canadian market's potential as it relates specifically to California. We request that you identify key opportunities which you will expand on within your proposed plan. Please outline key competitive or environmental factors of potential concern, especially as the landscape is quickly evolving, and address these in detail, in the appropriate section of your proposal.

The detailed level of budget and staffing resources for activities outlined in the Scope of Work will be mutually agreed upon by the appointed contractor and Visit California in a contractual format.

3 CURRENT STRUCTURE

Visit California has been investing in the Canadian market for almost 15 years. Except for 2020, the State has consistently invested in, public relations programs, travel trade initiatives, consumer website, social media, digital strategy, and content tools, with an average of US\$500,000 – US\$1,200,000 in expenditures. These same amounts are budgeted for the fiscal year 2022/23 and for future years. Additionally, through a third- party agency, there has been direct to consumer brand advertising funding that compliments these targeted trade, partnerships, public relations, and owned channel efforts.

Visit California has identified a consistent worldwide target audience to allow for greater efficiency in planning and deploying media and marketing programs on a global basis. This generalized target takes into consideration age, income, and travel propensity. Beyond the global target audience, localized audience nuances have been developed using Havas Media, Visit California's global media buying agency. Havas Media provides a proprietary consumer insight study that uses a single-source measurement of consumers' interaction and engagement with a broad range of media touch points.

Public Relations

As part of its overall media outreach and public relations strategy, Visit California hosts a variety of events and works with journalists to communicate its travel trade programming, and promote the entire State through the power of earned media, events, and stakeholder communications. A comprehensive public relations plan is an integral part of Visit California's overall effort, across a variety of marketing disciplines, and across our paid and owned media. This ensures that all forms of communications and messages are carefully linked together to highlight the many unique experiences and range of destinations throughout the State and to support key marketing messages and initiatives.

Travel Trade

To increase visitation and spend in California, an integral part of Visit California's strategy is to ensure the State is prominently positioned within key travel trade distribution networks globally. Visit California works with the travel trade industry to develop strong partnerships and to create new and innovative travel products that include all 12 tourism regions of the State. A great effort has been put into developing and promoting CALIFORNIA STAR, a dynamic trade-focused platform that helps drive sales and expand agent knowledge regarding the diversity of California experiences through training and interactive sales components, turning agents into expert brand ambassadors.

Partnerships

A key component of Visit California's travel marketing plan is to develop marketing partnerships to increase visitation as well as provide support for global programming. To

expand reach and to maximize resources, it is important for the in-market agency work closely with airlines, along with endemic and non-endemic brands in market with the goal of increasing California's presence in the market.

Owned Channel Management (website, e-marketing, social media management)

Visit California has created a comprehensive on-line marketing and communications strategy, with language and content customization on a market-by-market basis.

- Website
Visit California maintains localized Websites in all key global markets, which www.visitcalifornia.com/ca serves as the foundation for the Visit California owned platform in Canada. Central to the updated website approach is a mobile first mentality. With a strong content strategy in place, the website functions as the hub for Visit California's digital ecosystem to enhance our "Always On" consumer global strategy.
- Social Media
While the website will continue to serve as the hub for the digital ecosystem, Visit California recognizes the importance of connecting with consumers in their preferred environment and has a localized Facebook page to speak to in-market consumers.
- Paid Traffic Driving Activity
To extend the reach of the owned channel platforms, paid SEM and social media activity will be employed to support traffic, acquisition, and engagement strategies.
- Consumer E-newsletter
The Visit California E-newsletter features content created for www.visitcalifornia.com/ca. This newsletter is distributed monthly with the intent of helping highly qualified Canadian audiences get inspired, dream about, and plan their California holiday. Current distribution is close to 18,069 subscribed users.

3. Use or Disclosure of Confidential of Information. The Receiving Party recognizes that the improper use, disclosure or release of all or any portion of the Confidential Information could cause substantial damage to the Disclosing Party and its affiliates and damage his potential opportunities and revenues, and otherwise have a detrimental impact on the Disclosing Party. Accordingly, all Confidential Information received by the Receiving Party shall be (a) used solely for the purpose of the Receiving Party's evaluation of the Proposal, and (b) kept confidential and shall not be disclosed by Receiving Party in any manner whatsoever, in whole or in part, to any person who is not a party to this Agreement, or (ii) used or included in any information or reports disclosed or distributed by the Receiving Party to any person who is not a party to this Agreement; provided that Receiving Party is authorized to disclose the Confidential Information to affiliates, attorneys, agents, representatives, or employees of the Receiving Party who will review the Confidential Information in connection with the Proposal, subject to the terms and conditions of this Agreement.

If the Receiving Party receives any subpoena, order or another document legally compelling the Receiving Party to disclose any of the Confidential Information, the Receiving Party shall provide the Disclosing Party with prompt written notice of such request so that the Disclosing Party may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Agreement. If such protective order or other remedy is not obtained or not requested, the Receiving Party agrees that it shall furnish only that portion of the Confidential Information that it is advised by counsel that it is legally required to disclose and shall exercise reasonable efforts to obtain assurance that confidential treatment will be accorded the Confidential Information so disclosed. Additionally, notwithstanding the foregoing, Disclosing Party acknowledges and agrees that Receiving Party is subject to the California Public Records Act, ("PRA") and shall provide any materials and make any disclosures required for Receiving Party to comply with the PRA.

7. Attorneys' Fees; Prejudgment Interest. If the services of an attorney are required by any party to secure the performance of this Agreement or otherwise upon the breach or default of another party to this Agreement, or if any judicial remedy or arbitration is necessary to enforce or interpret any provision of this Agreement or the rights and duties of any person in relation thereto, the prevailing party shall be entitled to reasonable attorneys' fees, costs and other expenses, in addition to any other relief to which such party may be entitled.

8. Severability. If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the Agreement which can be given effect without the invalid provision shall continue in full force and effect and shall in no way be impaired or invalidated.

11. Waiver of Breach. No covenant or condition of this Agreement can be waived except by the written agreement of the party entitled to enforce the covenant or condition. Forbearance or indulgence by either party in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by the other party.

12. Miscellaneous. This Agreement contains the entire understanding of the parties with respect to the matters described herein. This Agreement supersedes all prior and/or contemporaneous agreements and understandings between the parties, written or oral, with respect to the matters described herein.
